" When I was sent to jail I didn't know God. But when I started to listen to the tapes, I got to know him. I have seen the power of the Word in my life and the change that happened. "

Prisoner, Madagascar

" The Lord has allowed that my ears and eyes have not failed me in my old age, so I want to use these gifts to learn as many words as I can, read some of the Bible for myself and understand the Lord's paths better while I still have time. "

Grandmother, China

" The Word of God speaks to you; it encourages and corrects you; it is the source of life. It is the most important book you will ever read. "

Help change one life with the Bible
...and see many lives transformed

In Queensland ... in Australia ... in all the World

Bible Society
QLD | be transformed

Did you know that 80% of all Bibles in the world are distributed by the Bible Society?

Thanks to the ongoing support of our Bible Partners, we are seeing individuals and whole communities transformed by God's Word – here in Queensland and right around the world, from Russia to Lebanon; China to Africa.

The first ever MP3-style 'talking Bible', MegaVoice, is reaching the world's 1.3 billion illiterate people and 90 million blind people. MegaVoice is literally taking the Gospel to the ends of the earth where missionaries cannot go, to share God's Word in people's own language. Plus, over four million Bibles are being legally printed and distributed in communist China each year!

Close to home, the Bible Society is forever using creative ways to bring the Bible to life among both churched and unchurched Queenslanders – from the Life Saving Bible connecting with local life savers to the Business Bible engaging the corporate world. Our

new Schools Worker is interacting with some 65,000 school students each year, giving away teen Gospels. Operation Waiting Room saw almost 3,000 magazine-style New Testaments delivered to doctor, dentist and chiropractic surgeries Statewide.

The demand for the Bible continues to grow and we simply cannot do this alone.

We need your help...

Let's work together

From as little as \$10 a month, or more if possible, you can partner with us to see the Bible impacting people around the globe. It's your choice how you make regular payments, but direct debit is especially effective, helping us plan ahead financially while spreading out your giving over time. Giving in this way also reduces our admin costs, which means more money goes directly to seeing lives transformed through God's Word.

A personal way to change lives

The power of prayer is vitally important to the success of our work. When you partner with us, we will send you regular updates on some of the many projects and countries you are supporting. These personal stories can be a great source of inspiration in your daily prayer life – especially when you know that you are joining as one voice with thousands of other Bible Partners worldwide. It is this dynamic duo of finances and prayer that will help see lives truly changed.
